Earth Pig Effect for 2019

#1 – Year of changes, travels, and migrations

- **Earth Pig is also a sign of relocation, travel, change/transformation, and migration.**
- **People will tend to make a change in 2019 such as relocation, job change, starting to commute, & going aboard for job or travel.**
- **Corporations will do systems migration, re-org, IPO, merging, buy-outs, joint venture, or expansions.**
- **Most Countries will likely make major transformation to their government bodies, infrastructures, trade or financial structures, etc.**

#2 – Trade Deal & US Economy

- Because of Sino-US trade war, it had caused slow down of economic growth for both countries.
- US and China will reach a preliminary consensus and compromise on the trade deal at the end of February, and perhaps the trade agreement is being further revised in June to achieve a win-win situation.
- A massive federal infrastructure spending bill is being approved which should provide a strong economic stimulus.
- US economy will start to stabilize and improve in late August. The stock market is still volatile but there are signs of rejuvenation in mid-August. It is expected that the S&P 500 will rise by ~16% this year, similar to the wealth brought by the same earth pig sixty years ago.

#3- Housing market improvement in 2019

- Home sales appear to be leveling out & Affordability is worsen: Pending-home sales slid 2.2% in December to a reading of 99, and were 9.8% lower compared to a year ago, marking the 12th straight month of annual declines.
- Due to highest rental cost, subprime mortgages available, inventory increase, sellers making price concessions, and recession fear reduced, the elderly will help and encourage their high-tech, health care, & MBA kids to buy their first homes as well as upgrade to more ideal houses. This year, the real estate market should have a temporary rejuvenation & home sales activity should pick up by June.
- Although the trend of housing market is still downward, the transformation of Real Estate Sector in 2019 becomes a game changer.

#4 Political Conflicts & Chaos

- **Nancy Pelosi, Speaker of the House of Representatives, was born in 1940 as Metal Dragon with a birthday of Earth Dragon in Chinese Zodiac.**
- **President Donald Trump was born in 1946 as Fire Dog & birthday of Earth Goat in Chinese Zodiac.**
- **The Dog and Dragon are clashing by Chinese Zodiac as they can't tolerate each other.**
- **The policy differences continue to cause political conflicts and chaos. Hopefully the earth pig can help all sides to reach a consensus & compromise for each agenda item for the well-being of the people.**

#5 Natural & Man-made Disasters

- Earth Pig is also a sign of damp land.
- Unusual weather of severe and deadly hurricanes/tornadoes, **rain**/snow storms, & blizzards can lead to **more floods, landslides, mudslides**, avalanches, fires, & traffic accidents.
- Dam collapse, shipwrecks and explosions at sea, gas explosions, chemical fuel/oil fires, mining explosions, and poison gas disaster.
- Undersea earthquakes cause tsunamis
- More traffic accidents related to rain, snow, marijuana, or alcohol.

Feng Shui

Feng Shui (Wind Water)

A Chinese art of geomancy uses the laws of both Heaven and Earth to improve people life by receiving positive “**Chi**” based upon placement of objects in relation to the flow of “**Chi**”.

- “**Chi**” (“natural energy”): Can’t see it, May feel it
- “**Chi**” is a combine energy from the 5 Chinese elements of Metal, Wood, Water, Fire, & Earth with natural polar opposites in Yin & Yang
- ❖ “**Chi**” rides the **wind** and scatters, but is retained when encountering **water**
